*Being Shaped as
Disciples of Jesus*

Retreat led by Fr. Richard Reiser & Michelle Stinson.

Through the experience of shaping clay, this encounter will feature spiritual reflections and sharing on the coming of the Lord in history, mystery, and majesty.

Fr. Richard has background in pottery and a renewed interest in working with clay as a spiritual experience.

Michelle is an experienced potter and is affiliated with the Institute for Priestly Formation where she has assisted in prayer and environments featuring clay.
