ARCHDIOCESE OF OMAHA ADULT CODE OF CONDUCT

As an adult chaperone, you set an example for the young people who are participating in a particular event. The following is what is required of you as a chaperone. All adult chaperones are responsible for helping to enforce the Code of Behavior and should use the 'Code' as a guide for their own behavior.

- Adult chaperones must be at least 21 years old. However, young adult leaders not yet 21 should follow
 the same guidelines.
- Adult chaperones are expected to abide by the policies and procedures of the parish/school/ Archdiocese.
- Adult participants are expected to refrain from drinking alcoholic beverages for the duration of the event, as well as during their travels to and from the event.
- The possession or use of illegal drugs by any individual will not be tolerated.
- No weapon of any kind may be possessed by a participant, youth or adult.
- The following are suggestions only about what you might typically do as chaperone during the event. If you have any questions about what to do as a chaperone, check with your group leader. Adults, as well as youth, are expected to attend all activities.
- During all activities, and especially a dance or other social activities, adult chaperones should be available in the building where the activity takes place to supervise all youth.
- Young people may be assigned a specific adult chaperone who will be responsible for their behavior throughout the event.
- Bullying and troublesome youth should be dealt with immediately.
- Adult chaperones are responsible for enforcing the group's curfew and for keeping noise to a minimum
 in at night. The group leader sets the group's curfew. Adult chaperones do not have the authority to
 extend it.
- It is suggested that adult chaperones check rooms periodically after curfew to make sure the young people remain in their rooms.
- If an adult chaperone must go into a sleeping room with youth, especially of the opposite sex, it is recommended that a second adult chaperone be present with them.
- Adults are asked not to go anywhere during the event where the youth may not go with them. (i.e. cocktail lounges, bars, etc.).
- Adults should address immediately any situation in which youth are engaging inappropriate behavior.
- Smoking is discouraged, however, adults who do smoke, must use a designated smoking area that is away from the activity. Be discrete.

I agree to abide by the rules and regulations outlined in this Code of Conduct. I understand that if I fail to
consistently abide by the Code or engage in a serious infraction of the Code, I may be immediately dismissed
from the weekend and sent home at my expense.
